Sub: — Discriminatory action toward AIGETOA Office bearer - reg

Dear Sir,

It is with utmost restraint and deep regret that I am addressing this letter to you, Sir, which concerned with many unfortunate and discriminatory activities been perpetrated against the members of AIGETOA especially against the office bearers of our association, by some vested parties with devious intend to cause not only mental agony but also to destroy the careers of these officers.

Latest addition to such planned and targeted offensive was instigated against the addresser of this letter itself, incidentally the Circle Secretary of AIGETOA, by unduly and discriminatingly denying the opportunity to attend Vendor training which is being conducted at RTTC, TVM from 23/11/09 by M/s Tulip. All the staff in the IT Cell including AGM is currently undergoing the said training and the sole exclusion from this list, i.e. from IT cell staff is conspicuously the Circle Secretary of AIGETOA. Here it is also to be noted that even some staff from other non IT sections were allowed to participate in the training and the same person who is involved with related job such as network management in IT cell for a very long time been denied the opportunity.

So it is requested for, Sir your unprejudiced intervention in this matter and the issue be resolved amicably. It is also expected to initiate from your good office effective actions against the culpable in order that such incidence are never repeated again and no staff is ever discriminated thereby putting them to

extreme mental agony. It is also requested to be vigil against such victimization and ill treatment against the members of our association in the future, so as such occurrences are timely intervened and prevented .

Sincerely Yours

(SAHEER S.)
